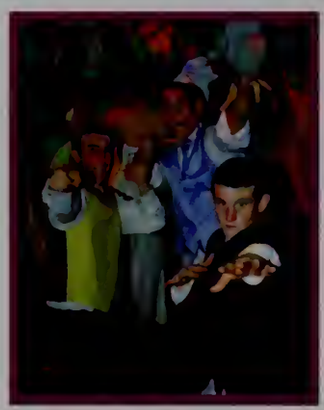
the last first day.....

JUNIOR



"Though we had virtually no money, few fundraiser ideas, and a fairly dysfunctional prom committee, we managed to pull it off. It certainly wasn't easy, but seeing everyone all dolled up at Mechanics Hall, I knew it was worth it. The girls looked gorgeous, the boys looked spiffy and everyone was ready to party the night away. I hope that with "A Touch of Class" we managed to create a night that everyone will remember."

- Laura Gaines '10

{He Said} {She Said}

How is prom different for a boy and a girl? Prom King, Jack Wentzell, and his date, Gina Servello, explained their prom day!

About an hour before I had to leave, I took a shower, put on my tux, and was out the door with my corsage by 5:30. It wasn't too much of a hassle.

Thank goodness Prom was on a half-day! I got my nails done the day before and still barely had enough time to get ready. I was in such a rush, I almost forgot Jack's boutonnière!

From Left to Right: Bobby Thompson and Bethi Ledoux smiling for a picture late into the night. Julianne Reid, Sarah Vancini, and Stacie Teevens getting together for a cute pic. Denise Meikle and Becky Mongeau still looking gorgeous at post prom.

Senior Class of 2010:

Congratulations. We have completed our years together at Westborough High School. It was a fun ride that passed by in the blink of an eye. The time spent here was full of great experiences and wonderful memories that together we will cherish forever. Whether in class, in the hallway, or on the playing fields, what we learned about the world and about ourselves will shape us into the adults we will soon be. From here, our lives will branch off as we move on to bigger and better places. Some of us will head to college, a few will travel abroad, and others will begin working. While some of our paths may cross somewhere down the line, others will have only the memories to remember each other by. But no matter where you go and what you do, you will always be able to look back on each other – the WHS Class of 2010 – as the people who you started your journey with.

And now, as always, I have written you a rap. Unfortunately, it is impossible to place an audio recording in the yearbook (believe me, I tried); so instead, I will ask you to find the nearest music-playing contraption, put on a good beat, and sing along.

My name is Sam,
And I'm here to say,
That I hope that you're having
A really good day.
Moved on in the world –
You're probably happy.
And I'm hoping that,
This rap ain't too sappy.
At Westborough High School,
Times were had:
Most were good,
But some were bad.
We laughed, we learned,
We shed some tears,
I'll remember you guys
For the rest of my years.
Don't know about you,
But I know I had fun.
Class of 2010
You'll always be #1!

Thank you all. I wish each and every one of you the best of luck. May you live happy and fulfilling lives.
Sincerely,
Sam Silverman
President, Class of 2010

"You guys might not know this, but I consider myself a bit of a loner. I tend to think of myself as a one-man wolf pack. But when Westborough High School brought the class of 2010, I knew they were one of my own. And my wolf pack... it grew by one class. So there... there were many of us in the wolf pack... I was alone first in the pack, and then 2010 joined in later. And six months ago, when Westborough High School introduced me to the class of 2011, I thought, "Wait a second, could it be?" And now I know for sure, I just added one more class to my wolf pack. All of us wolves, running around the school together, in Westborough, looking for a good time and memories. So tonight, I make a toast!"

Mr. Smith's Message

Dear Seniors of the Class of 2010,

I want to congratulate you on your many accomplishments over these past four years. You are a terrific group of young men and women who have brought great joy and pride to me as your principal as well as the high school community at large. As you prepare to move onto a new and exciting chapter in your life always remember those who have helped you along the way. Your parents, teachers, family members and friends have all played important roles in your story. Look back over these four years with pride and satisfaction and know that your best years are ahead of you. Challenge yourself to always put forth your best effort in every endeavor and always look to help others as you continue to grow. Best wishes for a happy and healthy life.

Sincerely,
John G. Smith
Principal

Teacher Advice

"This is a great class! My advice is this: Bring a positive attitude to everything you do. A positive attitude and outlook on daily life is a key to your success. Ralph Waldo Emerson wrote, "A man becomes what he thinks, most of the time." A positive attitude simply and absolutely allows you to be at your happiest, healthiest, most creative and brightest-it makes you be your best. We will miss you all, but we know you'll make us proud!"

-Mr. Callaghan
Assistant Principal

" 'When you find yourself at the end of your rope, tie a knot and hold on!' -FDR via Mr. Cullen. We're not here for a long time, we're here for a good time, so have a good time seniors and best of luck!"

-Mr. Cullen
History & Psychology
Teacher

"To the Class of 2010:
I don't like to give advice, but I will offer some support and encouragement. Don't be afraid to ask for help; it's a sign of courage, not weakness. I encourage you to find what you're passionate about and go for it. For those of you going to college...academics in college are 10% of what you do; the social life is 90%--in order to keep the 90%--you have to do the 10%. And lastly, some time ago, I saw this quote on a graduation banner: 'We always knew we'd look back and laugh at the times we cried, but we never knew we'd look back and cry at the times we laughed.
--Author Unknown
Take care,
Mrs. Stoker"

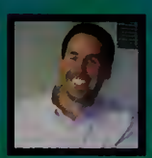
-Mrs. Stoker
English Teacher

"Remember that every step in life you take and every choice you make will influence your future. Don't make "unwise" decisions."

-Mrs. Costa
Math Teacher

"Since I have had the majority of you since kindergarten, I am happy to have the opportunity to wish you well as you leave WHS!! We have had more than a few good times in the gym and now in Wellness class whether we were dancing to Cotton Eye Joe, competing in the Pickle Ball Tourney, or role playing with refusal skills. So have fun, be fit, and don't eat too many Twinkies!"

-Mrs. Callender,
Physical Education Teacher



Mr. Chapman, History and Sociology teacher, believes that he imparts too much wisdom on a daily basis to select only a few words to pass on to the Class of 2010. However, he wishes all of the seniors the best of luck.

"To the Class of 2010,
I hope that you are able to become Masters of Your Own Time-
That you find a way to:
Speed up time when you need to, go back in time to have the necessary "do-over", and stop time to allow yourself to embrace and enjoy the moment. Whatever you choose to do in life learn to appreciate time and it will work for you."

-Mrs. Papetti

"Take risks. Value people. Find what you love and do that!"

ITALIA

Our trip to Italy was absolutely amazing and was a wonderful experience. It started off with a bus full of kids who didn't really know one another, and ended with a group of friends. We traveled through some great cities and saw some really amazing things, met some very nice people, and ate really good food. We spent a few days in Sorrento, a beautiful day on Capri, stood on top of Mt Vesuvius, toured the ruins of Pompeii, saw Pope Benedict XVI outside of the Vatican, saw the David in Florence, and toured the history enriched city of Rome all in just a week. Thank you to Mrs. McCormick Lane and to Mr. Callaghan, and all of the chaperones, for making this trip possible. I hope it was enjoyed just as much on your part as it was mine.

España

"From Boston to London (Landon baby!) to Madrid then a two hour bus ride with Jesus, getting to Salamanca seemed to take forever. But once we were there, the time flew by. Salamanca offered many life experiences like there will never be tailet paper in Niebla's bathroom, there is no comfortable way to sleep on an auto bus, the Spanish cuisine isn't all it's cracked up to be and that McDonald's can be considered real food. Living in Spain for two weeks with a host family was a time to perfect our Spanish, meet new people, and experience a whole new culture. No one will forget feeding the fish in Madrid, dancing the night away at Camelot, throwing away our bocadillas, or the feeling of receiving a late curfew. Thanks Señor Della Cioppa for a time we'll never forget and we hope you're last trip was as memorable as ours. "

2009 SEASON

Starting in August, no one could have predicted that the 2009 Rangers were going to be the first team in eight years to make it to playoffs. The season contained wins and losses much like every other year, but there was something special about this football team. On Thanksgiving, the boys konked Algonk with a score of 21-7 giving the seniors a sweet victory against our rival. With captains Sam Silverman, Rondel Clark and Nick Mastrogiacomo keeping the team motivated, the Rangers ended their regular season with a record of 7-4. After making it into post season play, the boys faced Holy Name as their first opponent. At half time, the Rangers were ahead 7-6 with their spirits high. Unfortunately, Holy Name pulled away during the second half ending the game with a final score of 18-7. Despite a loss against the Crusaders, the Rangers still achieved the major feat of qualifying for the playoffs. After the season, seniors Nick Mastrogiacomo, Sam Silverman, Rondel Clark, Austin Ashton, Tucker Brady and junior Andrew Grant were named as league all-stars.

"This year was more of a success than anyone had predicted. We defied all odds by placing 5th and being minutes away from a Super Bowl. I am proud to be part of this team and couldn't have asked for a better group of kids."

Mid Wach B League Champions

The boys soccer team had a very successful season even though they faced a difficult schedule and had to adjust to a new combination of talented players. They finished with a record of 11-5-2 overall and a record of 7-1-1 in the league, which earned them the title of Mid Wach B Champions. Despite their regular season success, the Varsity team lost unexpectedly in the first round of districts playoffs after a shoot out against the Quabbin Panthers who grabbed a 1-0 victory over the Rangers to advance in post season play. The team had five Mid Wach B all-stars: seniors Dave Harpin, Rajiv Banavali, and juniors Stephen Geller, Matt Hally, and Doug West. Dave Harpin was also named a Central Mass All-Star and was selected for the all-state team.

"To start the season we knew we didn't have much experience considering at least 75% of the team were juniors . We knew it would be tough but we really stuck it out and had an amazing season."

BOYS GOLF

2009 SEASON

The Westborough Rangers played a solid season this year and finished with a 7-8-1 record. Despite some tough losses including a one-stroke loss to Hudson High School, they pulled off impressive wins against rivals Quabbin and Marlborough.

When asked to describe the 2009 Boys Golf Season, Coach Rota deemed it "The Year of Bobby Thompson". Thompson, senior co-captain and long time veteran for the golf team, played every match for the Rangers this season and shot a 35 stroke average. Thompson was named League MVP and League All Star for the second year in a row and also earned the title of League Stroke Play Champion. Nick Flahive, senior co-captain and Rangers veteran player, was also named a League All-Star for the second year in a row and played extremely well for Westborough this season. He maintained the number two spot for the Rangers and recorded a 39 stroke average.

Coach Rota is optimistic about next year's team with several returning underclassmen including Pat Hession, Ryan Iasiello, Paul Iasiello, and Sammy Klefstad who had a very strong year playing as the Rangers number three golfer.

"You're one thousand feet above sea level and you have 50 mph winds on the first hole...that'll getcha."

BOYS BASKETBALL

2009-2010 SEASON

With the leadership of Coach Shah and five seniors, including captains Chris Armand and Nick Flahive, the boys Varsity basketball team finished their season with a solid record of 14-9 and 8-4 in the Mid-Wach B League. One of the highlights of their season, in addition to their fourteen victories, came from the Auburn Rocket Tournament over the holiday break. The Rangers defeated Leominster High School in the final game 68-60 earning the title of tournament champions. Because of their record and talent, the boys were also eligible to play in the Clark Tournament. After cruising past Millbury, the Rangers found themselves in yet another final game, this time against Groton-Dunstable. After four full quarters, the game was tied and the Rangers and Crusaders headed into over time. Although Westborough played well in the extra quarter, they fell to G-D by one-point, 38-37.

Following a disappointing, but still remarkable, performance in the Clark Tournament, the Rangers went into the first round of districts with plenty of intensity and desire. They were matched up against the rival Tomahawks of Algonquin in the quarterfinals. The Rangers and Tomahawks were tied 1-1 after their regular season match ups, but Westborough had earned the higher seed in district play and were able to host Algonquin at home in the opening round of post-season play. A packed gymnasium at Westborough watched 32 minutes of intense and exciting basketball. The game came down to the final seconds, but after a pair of T-Hawk free throws were made, the Rangers couldn't close the gap and were knocked out of districts by a 37-36 loss.

The Rangers had two league all-stars in senior forward Nick Mastrogiacomo and senior center Nate Foy.

Despite losing the five seniors, next year's team looks promising with several returning players, especially upcoming seniors Brian Orlando, Isaac Mutesasira and Pat Hession.

2009-2010 SEASON

Mid-Wach B League Champions

Girls Varsity basketball had a tremendous season this year. The girls ended the regular season with a record of 18-5 and landed the Mid-Wach B champion title by being undefeated in the league (12-0). Their winning record was no surprise with the second highest league scorer, Leah Murphy, dropping an average of 16.3 points per game. Along with their solid performance, the team accomplished another amazing feat of every senior starter being chosen as a League All Star: Becky Mongeau, Leah Murphy, and captains Karly Murphy, Emily Van Dam, and Maddie Fryer. This year contained the most all-stars Coach Scott Kittredge and his assistants Coach Collins and Coach Desjardins have had in their four years of coaching at WHS. The Rangers ended the regular season as Westborough Invitational Tournament Finalists and started their post season play in a quarter-final game against Marlborough at home. After 32 minutes of play, the Varsity girls outscored their opponent 54-40, landing them a spot in the Central Mass District Semi-Final against Shepherd Hill at WPI. Unfortunately, the Rangers season ended with a loss of 59-40. Coach Kittredge commends the senior girls saying, "They were a terrific group and I appreciated their effort and enjoyed every minute of the season because of them." The Junior Varsity team coached by Mr. Richards and the freshman team coached by Mr. Wentzell had outstanding years as well.

30th Anniversary

Led by Head Coach Belbin, Assistant Coaches Atchue, Morin, Newton, O'Donnell and eight fantastic seniors including Captain Devin McCarthy and Assistant Captains Dave McCauley and Jeff Kelly, the Rangers Varsity team finished their season with a record of 4-14-2. Other than their four victories, one of the best performances from the Rangers came against Hudson High School, the top-seeded team in the conference, who the team outscored 3-1 going into the third period. Unfortunately, the Rangers couldn't hold onto their lead, but were proud of their competitive play against the Hawks, who went on to be District Finalists. In addition to well-played games and tough competition this season, the Rangers also had the opportunity to celebrate the 30th anniversary of the Rangers Hockey program. They played against Assabet Valley in the celebratory game, which was also their Game of the Week, and took out the Aztecs with a score of 5-2. The Rangers' other wins came against Holliston, Hopkinton, and Marian.

This season produced three conference all-stars for the Rangers of Devin McCarthy, Dave McCauley, and sophomore forward Nick Ferretti. McCarthy and McCauley also represented Westborough High School in the Central Massachusetts Hockey All-Star game held at Fitchburg State College.

Boys Indoor Track

2009-2010 SEASON

League Champions
District Champions

The Boys Indoor Track team, led by Coach Nute and four senior captains finished their season with a record of 4-1. Because of their great talents as a team, they were able to win the League Championship after coming in first at the league meet and also clinched the District Champion title for the first time in team history. The boys also shined individually, especially with senior captains Jeff Bush and Byron Jones. Bush set the school record in the 2-mile race and placed 6th in the mile at the state meet. His performance in the 2-mile allowed for him to compete at New Englands and also at the Nike National meet. Jones was named district and state champion in the 1000 meter earning a personal record of 2:29.90 at the state meet, the seventh best time in the nation. He also qualified for New Englands and Nike Nationals. Both Bush and Jones ran with senior Nathan Frumkin and sophomore Brendan Robertson to break the school record in the 4x800. The same 4x800 team qualified for states and finished 16th.

"We were a great team not because we had such a successful season, but because we had a great time throughout."

-Dan Sullivan, '10

"Track is great. It's a sport where as long as you have a pulse you can push yourself to do great things. We take everyone that signs up and keep everyone that shows up everyday and works hard. It's the only sport in school where there are no cuts. The atmosphere is indescribable when you have 70 kids working hard, supporting one another and cheering on the slow and the fast, the studs and the duds. We love them all."

This team succeeded in breaking several school records. They scored the most points that had ever been scored in a dual meet (against Hudson 82-9). Julianne Reid, Julia Heffernan, Jill Horka, and Vanessa Wegner set the 4x400 school record, placed 6th at All-States, placed 10th at New Englands, and went on to run at Nike Nationals. Katie Lis set the school record for the 1000 m with a time of 3:15.24. The team advanced to the District E Championship where they placed 5th. The 4x8 and the 4x4 teams were named League All Stars. The 4X8 team included Katie Lis, Anna Petrunich, Julia Heffernan, and Jessica Arena. Brigid Bowser was also a league all stars for the 55 m dash. Vanessa Wegner was the season MVP. Ski Team

2009- 2010 SEASON

"The 2010 ski season was a great success. We had many racers return this year and many newcomers participate. Four girls finished in the top 20 in the league. Meghan Donovan finished 2nd in the league, Alexandra Webb finished 11th in the league, Jacqueline Webb finished 15th in the league and Ruisi Shang finished 20th in the league. We had four boys finish in the top 25 in the league. Johnny Maguire finished 8th in the league and was the first boy ever from WHS to make it to the state championship. Andrew Lipke was 13th in the league, Kevin Egan was 23rd in the league, and Cam Houghton was 24th in the league. Meghan Donovan was captain for three seasons and made it to the state championships all four years of her career. Her participation and ability helped us win our first league title three seasons ago."

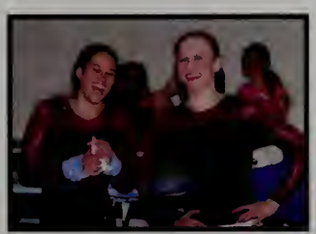
GYMNASTICS

2009-2010 SEASON

Led by Coaches Dani Montiverdi, Colleen Cafaro and captains Lexi Walls and Erin Silva, the Rangers Gymnastics team finished their season with a record of 0-12. The Rangers, however, weren't disappointed due to the fact that they were anticipating a re-building year after losing several crucial seniors last season. One of their best meets came against Hudson High School, to whom the Rangers fell to by just one point. However, one of the highlights during the season was not in the gym, but was the addition of several new members to the team, who had their first experience on the gymnastics floor. The team of both newcomers and seasoned gymnasts did have huge triumphs, though, in performances by senior Lexi Walls throughout the season. Not only did she stand out in the all-around competitions, but also qualified to compete in the all-around state meet. Junior Rachael Mazzamurro also qualified for the state meet for the uneven bars.



"We still had fun this season even if it wasn't our best and I enjoyed being part of this team!"

BASEBALL
2009 Season

The baseball team had a very successful 2009 season. The team was led by six seniors. Co-captains Matt Daniele and Fran Whitten, Andy Basque, Nick DelBuono, Connor Sullivan, and Dan Mettler. The team was off to a rough start with a record of 0-4, but they came back in the end with a final season record of 15-8. They were 10-0 in Mid-Wach B and won the title of League Champions. They made it to the Central Mass district semi-finals where they lost in extra innings to eventual CMASS champs St. John's. Dan Mettler, Matt Daniele, Andy Basque, and Nick DelBuono were League All-Stars. Fran Whitten was the League MVP. Whitten was also selected Central Mass All-Star for the second time and a Metro West Daily News and Telegram & Gazzette Super Player. Basque was a T&G Division I All-Star. The team was very successful and it couldn't have been done without their fantastic coach, Scott Kittredge. He was named the Metro West Daily News Coach of the Year.

SOFTBALL

2009 Season

"The 2009 Softball team was led by five great leaders, captains Leah Sanginario, Liz Power, Lauren Skrivin, Callie McMahon, and Lindsay Hutchinson. Although our final record wasn't what we hoped it would be, the team improved every game and never gave up. With Mid-Wach B League All-Stars Liz Power, Lauren Skrivin and Sam Pilkington, star pitching from Meg Donovan and great coaching by Mr. Ellis, Mr. Landroche, Ms. Murray, and Mr. Wentzell, the team put up a fight during every game. We'll miss the 2009 seniors next season but with the returning players we expect to improve on this year's record.

BOYS LACROSSE
2009 SEASON

"I was privileged to be co-captain of the Varsity lacrosse team as a Junior along with Senior Goalie Justin Hurwitz. Coming off a District and League Championship in 2008 and losing most of the Varsity squad, it was time for us to step up. We hosted a 5-11 record which included many close games. I knew it was going to be tough to fill the sixteen spots left open by the talented senior class. It was great to have Coach Frank Arena move up with us from JV to lead the Varsity team. The highlight of the season was beating highly ranked Shrewsbury on their home turf. The Rangers were led by a high power offense which included myself, Cam McCarthy, and Tom O'Connor. The defensive squad was led by PJ Shaw, Brenton Croteau, and Colin Beron. With most of the starting players returning, the Rangers should be an exciting team to watch this coming season."

"After winning districts last season, I was more than excited for the '09 season! Even though big name seniors like Jenna Srebnik and Emily Mongeau graduated, we were able to step up with awesome underclassmen and senior captains, Kayla Volpe, Hannah Srebnik, and Steph Flood. GIRLS OUTDOOR TRACK

2008-2009 Season

The 2009 Girls Outdoor Track Season was extremely successful and, as always, welcomed several new runners to the team in addition to the seasoned veterans of the squad. This year's team was led by seven senior captains: Alexis Teevens, Anne Blackney, Katherine McManus, Nadia Ragounath, Lauren Harris, Kimmy Arvidson, and Gwennie Garcia. The girls finished in the top five in the League competition and had standout efforts and achievements from Aoife Feighery ('10) in the hurdle races and javelin, Vanessa Wegner ('11), who broke the school record in the 400 meter sprint, and Katie Lis ('11) who had a break out season in both the 800 meter run and javelin. Many of the athletes from the team participated in the District Meet, such as the 4 x 800 Relay Team who finished fifth to represent the Rangers. Lexi Walls ('10) had another stellar season in the pole vaulting competitions and made it to the All-State Meet for her second year in a row. Led by Coach Hebert, the track team did extremely well in their 2009 season and with so many returning stars look to have another great year.

"Track is awesome because each person makes an effort to set a personal record but in the end, it's all for the entire team, and that's what I love about the sport. Our team is like a huge family of runners, jumpers, hurdlers, etc.- even though we're so different, we're all in it together."

GIRLS GOLF

2009 SEASON

Divison 1 State Runner-up

The girls golf team of 2009 finished the season with several amazing accomplishments including their second undefeated regular season record of 14-0. In the past two seasons, their regular season record is recorded as an outstanding 28-0. Throughout the spring, the girls team received great scores from Kate Patrick ('09), Allie Lonstein ('10), and Ali Reed ('11), who all shot consistently in the mid 40s. In addition to their solid performances, the girls golf team had the chance to experience some very unique moments including a hole-in-one shot by Megan Burke ('11) at the Westborough Country Club on the 7th hole. Burke was the first girl in Westborough girls golf history to shoot a hole-in one. Another memorable moment that was part of the 2009 season was when the team had the opportunity to play at The Country Club in Brookline, MA, one of the oldest courses in America. The fantastic golf team of 2009 was led by captains Kate Patrick ('09), Ruthie Bryant ('09), Allie Lonstein ('10), as well as Coach Kinney and Coach Robichaud.

Not only did they obtain a flawless record, but the girls Varsity team also came in second in the state meet and lost only to Notre Dame of Hingham, who has been their toughest opponent in the past as they've fallen to them twice within the past two seasons with both losses coming in state finals. Next season, the team hopes to finally clinch the number one spot at the state meet. Coach Robichaud has high hopes for her entire team, especially Allie Lonstein ('10), Ali Reed ('11), Megan Burke ('11), Kasey Packer ('11), and Sara Zettler ('11).

"Golf tests the abilities of an individual, but more importantly the capabilities of a team."

The places that we have all grown up with have served as summer hot spots and Saturday morning brunch stops. We will always have these memorable landmarks to come back to, but they are certainly places we will miss when it's our time to burst the Bubble.

One Last Look Back

a note from the editors....

Dear Westborough High School,

Here it is, your 2009-2010 Yearbook. We hope you flip through and on each page find a memory that captured your experience at the high school this year whether you were a confused freshman, a newly-licensed sophomore, a finally-upperclassman junior, or a senior who had moments when you didn't think you'd make it to graduation day. The Yearbook Staff worked immensely hard day in and day out to produce something that you will love and cherish for many years to come. Hopefully this yearbook that you hold in your hands helps you to look back and remember all of the things that you accomplished this year.

There are several people that we would like to thank for helping make this book as wonderful as it is. First we'd like to thank Mrs. Costa, our fantastic advisor who knew when to stay out of our way and helped us when we needed it the most. Secondly, we'd like to thank Susan Happel Edwards, our beloved "Yearbook Lady" who came to the rescue when we had problems (and always brought candy!). We'd like to say a big thank you to Becky Mongeau, our unofficial Yearbook intern who counted and cashed more checks than you could possibly imagine. We would also like to include Ms. Valetta and the entire Westborough High School Staff for assisting us in the creation of this Yearbook, for chaperoning our Holiday Ball, and offering their brilliant advice and help. A Yearbook is nothing without pictures, so we'd like to acknowledge the Lifetouch photographers, Mr. Kelly, and Mr. Judd for their beautiful contributions, as well as Mel Ewing and James Kwan for creating a cover that was beyond amazing. Lastly, we would like to thank all of the parents for sending in pictures and ads that allowed us to design fun and memorable pages.

Thank you to the entire Yearbook Staff for putting up with us, designing wonderful pages, and working as hard as we asked you to in order to make this yearbook.

Good Luck Class of 2010 and all of those who were a part of the WHS community this year! We hope this yearbook serves as a satisfactory time capsule that you can return to in the coming years to remember your year at Westborough High School. Enjoy this yearbook, enjoy the memories, and enjoy this quote that we find very fitting to wrap this up: "Memory is a way of holding onto the things you love, the things you are, the things you never want to lose."

Love,
Karly Murphy and Stacie Teevens
